Parent Child Allocation Factors - Full Children

The **Finance survey** report submitted under this UnitID is a combined report that includes data for all the locations listed below. Because this is a combined report, you must provide allocation factors that indicate how the data should be distributed to accurately reflect the finances for each included institution. Allocation factors are percents. The allocation factors you provide will be used to allocate the reported data on revenues and expenses to create derived variables for each component location for the IPEDS Data Center and Data Feedback Reports. These derived amounts are frequently used and should accurately represent the financial resources at each institution. You may NOT report a 0% allocation for an institution as this would indicate an institution had 0 financial resources for the fiscal year being reported.

Enter allocation factors in the spaces provided; use hundredths of a percent. Percents must add to 100%. You may not leave any cell blank. You will not be able to lock your data if this section is not completed.

UnitID	Name of Institution	City, State	Allocation factor (##.##)	FY 2018 Allocation factor
200800	University of Akron Main Campus	Akron, OH	95.00 %	95.00
200846	University of Akron Wayne College	Orrville, OH	5.00 %	5.00
		Total:	100.00 %	

If this list of institutions is not complete, or is incorrect in any way, or if you would like to report data for each component institution instead of submitting a combined report, or if you have any questions or concerns, please call the Help Desk at **1-877-225-2568**.

The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the [Data Center](#) and sent to your institution's CEO in November 2019.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or ipedshelp@rti.org.
