**SUBMIT COMPLETED FORM AND DOCUMENTS TO: [benefits@uakron.edu](mailto:benefits@uakron.edu)**

The University of Akron is committed to providing an inclusive and supportive environment for all and recognizes that some may not be vaccinated against COVID-19 for medical reasons. The University of Akron also recognizes that some who are pregnant or actively breastfeeding may wish to defer getting vaccinated until no longer pregnant or actively breastfeeding. A medical exemption may be granted upon receipt of a completed form (below) not more than 6 months old, signed and certified by a licensed healthcare provider, not related to the submitter, and whose specialty is appropriate to the associated condition. Medical exemptions expire when the medical condition(s) contraindicating COVID-19 vaccination changes in a manner which permits vaccination or upon date specified.

The assigned expiration date is at the sole determination of The University of Akron. Individuals with an approved exemption may be required to comply with additional testing and other preventive requirements as specified in the exemption approval and as may be updated by later notification and/or posting of requirements.

In the event of an outbreak on or near campus, individuals holding exemptions may be excluded from all campus facilities and activities, for their protection, until the outbreak is declared to be over. The Office of Benefits Administration will review all requests, although approval is not guaranteed. After your request has been reviewed and processed, you will be notified, in writing, if an exemption has been granted. If the approved exemption contains an expiration date, you will be expected to complete a new request at that time.

Should the condition continue, or a new vaccination contraindication occur, or the current exemption expire, a new request with updated documentation is required. Decisions are final and not subject to appeal. Individuals are permitted to reapply if new documentation and information should become available.

**Important Note: Requesting an exemption does not equate to registration as a employee with a disability. If you require disability-related accommodations outside of this exemption, you must go through the interactive Americans with Disabilities Act process. To request an accommodation please go to the [Request form](#).**

In order to submit a request, please:

- Read the [CDC COVID-19 Vaccine Information](#)
- Complete this form;
- Have your Licensed Health Care Provider provide the required documentation; and
- Submit the completed documents.

**Note: Incomplete submissions will not be reviewed. Be sure all forms and documentation are submitted at one time.**
