The IT Committee met on March 1, 2021 and discussed an Adobe licensing proposal. Faculty would have to submit a request for a course fee for classes that required Adobe products. Office of Academic Affairs would handle the project. Savings would be passed along to students for Creative Cloud Suite subscription. They should be able to stay locked in at the rate that they buy in at once they leave UA.

### **Institutional Advancement -**

Michele Novachek

The Institutional Advancement Committee did not meet this month.

The UC Special Committee on Awards and Recognition reviewed all nominations received. Once each award committee submits their decisions, the approval process begins. The committee will meet again later this month to discuss the award celebration.

### **Physical Environment**

Max Fightmaster

### **Recreation & Wellness**

Nancy Lupi

We discussed the implementation of Roo Fit 2022. We will be discussing with the President of the student group Exercise is Medicine to join this effort. By doing this, we may be able to add a separate student component to this program as well. The discussion also began about how to improve this program based on the comments that were given in the post-completion survey.

### **Student Engagement & Success**

Katey Yinger

Nothing to report for this month.
