 Adoption of the Minutes for this month's work, Bill moved, Cora Seconded - Passed unanimously.  
 Review School of Communication Survey Results: Faii spoke with people in School of Communications, they noted that ZipMail is not very effective. They believe the reason why ZipMail fails is because it is too similar to the digest, so users just ignore it. They are primarily using email, and are not very interested in other forms of communication -- they are not interested in using any other tools than what they already have.
