6. Based on your goals for the year, outline what decision were made or action items discussed during this month's meeting that moved goal(s) forward

The group finalized and approved the AKR for the subcommittee. Requirements from ITS were requested.

7. Provide Meeting Minutes/Monthly Report here (do not attach minutes as a document in #8 below).

Approval of the AKR: Discussion and review of proposed AKR for the UC-IT Subcommittee was held.
- Faii shared an update about December's meeting with ITS to discuss the "Mock Semester" event.
o Faii indicated that she is waiting on ITS to provide specific days/times/locations for the event.
- ITS' request is to have UC-IT assist in recruiting faculty champions from all colleges. These champions would participate in the Mock Semester and become advocates for Workday within their colleges.
- There were a handful of minor revisions to the AKR draft.
- A discussion was held about the timeline for the remaining Workday Student project activities. John and Matt provided clarification on the remaining timeline.
- A discussion was held about the expectations of the faculty's time to participate because getting buy-in for "extra" activities is difficult already and will likely be more difficult without specific expectations to relay to faculty.
o ITS is to provide specifics as quickly as possible.

8. If you have a document that provides supporting materials for this month's work, upload here. This attachment should not be the monthly minutes (minutes should be submitted in #7 above).
